

On the Subject of Module Rick

Funniest shit I've ever seen.

- I TURNED MYSELF INTO A MODULE MORTYYYYYYYYY!
- I'M MODULE RICK!
- Morty, I need to multiply so there are more module ricks.
- Everytime I am pressed Morty, I will duplicate.
- I must grow Morty, but not too much.
- Press me equal to the amount of times of the last digit of the serial number, with zero being ten Morty, and then press the ring around the status light Morty.

Module Rick will be here
